ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Monday - 14 March 1977

1. (Unclassified - GLC) LIAISON I met with Chairman Melvin Price (D., Ill.), Chairman, House Armed Services Committee, to discuss the possibilities of a joint or select committee on intelligence in the House of Representatives and to obtain his views on this subject. (See Memorandum for the Record.)

2. (Unclassified - GLC) LIAISON Received a call from Richard Sprague, Counsel, House Select Committee on Assassinations, who said he was interested in looking at any documents which the Agency had concerning Santos Trafficante, his connections with Sam Giancana and John Roselli, any contacts he had with Cuban groups or any involvement he had in anti-Castro plots. He mentioned that the Committee had subpoenaed Trafficante and he would like to have access to this information as soon as possible. I told him I would look into it and be back in touch with him. (See Memorandum to the Director this date.)

3. (Unclassified - GLC) LIAISON Following my conversation with Richard Sprague, Counsel, House Select Committee on Assassinations, I called Paul Daley, FBI, and John Morrison, OGC, talked with Mike Kelly, Counsel to the Attorney General on FBI matters, about the request from Sprague. The essence of Daley's response was that the Bureau had received a similar request for access to information on Trafficante but that while they were making unclassified material on the Martin Luther King and John F. Kennedy assassinations available to the Committee, they were not responding to the request for the Trafficante material.
